

Press Release – May 2024

BLOW THE TRUMPET, SOUND THE ALARM

A Call to Prayer and Action

We are a group of prophetic, apostolic friends who love to hear Jesus and put what He says into action. We are from different churches, Kingdom families, networks and movements.

It is very clear to all that we are living in significantly turbulent and uncertain times.

As we have prayed we have heard the Lord speak to us about warnings for preparation and response; both for and from the Church and the nation.

We are hearing warnings about...

- The urgent need for the Church to return to Jesus, her first love
- Preparing for spiritual and physical war
- Food shortages and economic crisis
- The reshaping of the Church in this era

We have recorded some conversations around these themes and others which we share here for your information:

Jesus asks us to read the signs of the times (Matt 16:2-3). We believe that we the church in Britain are being asked to be prepared for some tough times ahead including intense spiritual warfare, increased physical wars, food insecurity, economic and governmental instability.

We also believe that there will be a powerful move of His Spirit, harvest and reformation as He moves throughout the nations.

We believe in this moment, we the Bride of Christ are being awakened to what the Lord is asking of us and prepare for what is ahead, both the Church and for the saving of many lives: both spiritually and physically.

We would be happy to be included in any conversation you might be having about these themes or be interviewed if that seems good to you.

You will see from our website www.allthroughthishour.com we are responding in prayer and worship as well as practically working together with others to build up the Church and to share Jesus with those who don't yet know and love Him. We recognise we are only a part of all the Lord is doing and don't have all the answers but felt an urgency to share these alerts and warnings with you.
